Guidance Notes on Section 2 – Daily Payment Limits

Daily Bill Payments Limit

This allows you to debit your account with a single payment and credit a single beneficiary whose bank account is domiciled in the UK. When making a Bill payment your account will be debited the date the payment is sent for processing and your beneficiary will receive the funds within 3 working days (e.g. if you send the payment on Monday it will reach the beneficiary's bank on Wednesday). No credit limit required.

Daily CHAPS Payments Limit

This allows you to debit your account with a single payment and credit a single beneficiary whose bank account is domiciled in the UK. When making a CHAPS payment the beneficiaries bank will receive the funds the same day the payment is debited from your account. No credit limit required.

Daily Priority Payments Limit

This allows you to debit your account with a single payment and credit a single beneficiary whose bank account is domiciled in almost any Country. When making a Priority payment your account will be debited the date the payment is sent for processing. Your beneficiary will receive the funds in approximately 1 - 4 days depending on the accuracy of your payment instruction and which Country the funds are being sent to. No credit limit required. Note: Maximum 'single' payment amounts vary depending on currency.

Daily BACS Payments Limit

This allows you to debit your account with one payment but credit multiple beneficiaries. It also allows you to debit your account with one payment and credit a single beneficiary. When making a BACS payment your account will not be debited until the day your beneficiary's bank receives the funds. Credit limit required, subject to status. Security may be required that may be subject to a fee.
